Dear Parishioners,

From time to time, there won't be enough room in the notice section of the bulletin for things that have to be mentioned. So, this modest letter section will have to be used every so often to provide information that can't fit elsewhere. This is one of those times.

First of all, and most importantly, we should recognize and congratulate those religious education students who were privileged to receive either one or both of the sacraments of the Holy Eucharist in First Holy Communion and Confirmation. Those who received Our Lord in the Holy Eucharist for the first time were: Anna Gomez, Andres Albor, Lillian Keyser, Kimberly Medina, Martin Lopez and Trinity Garcia. Those who were confirmed at St. Paul Church last Friday were: Alejandra Lopez, Kimberly Medina, Trinity Garcia, Mitchell Lucas, Andres Calderon, Leonardo Ruiz, Aaron Gonzales, Martin Lopez, Oscar Manrique and Joseph Gould.

I also wanted to alert you to the fact that Father James Buckley, FSSP, will be holding an Ignation Retreat for Men next month at Our Lady of Guadalupe Seminary in Denton, Nebraska. The date of the retreat is June 8 through June 11. The cost for the retreat is \$195.00. For more information and to reserve your spot, please email Mr. Dennis Kilcoyne at [business@fsspolgs.org](mailto:business@fsspolgs.org). To call Father Buckley a "Retreat Master" is a gross understatement. He is a true master of all things spiritual, yet a more human, down to earth priest you'll never meet.

Although it is specified on the front of each bulletin and I also made special mention of it in last week's bulletin as well as in this bulletin, please be aware that the parish email has changed. 'stjoesrockdale@yahoo.com' is no longer in service. The new address is **frmagiera@rcdoj.org**. Please note the change.

Finally, contribution records for a few years, including 2017, have to be recovered manually. Fortunately, the contribution envelopes, worksheets used by our counters and photocopies of checks are still in the rectory files. However, all of this data has to be manually entered into the ParishSoft database system. This process will take place over the next few weeks. You need not be concerned about end of year contribution statements. Everything will be handled appropriately and because additional database modules have been purchased, all parish information will be fully integrated. The end result will be a better product than was produced in the past. Happy Easter, for the next four weeks. God bless. Father Magiera
